Nancy Jacobs, Manager
School of Music Performance Library
The Performance Library contains a comprehensive selection of sheet music for university bands, choirs, orchestras, and school-sponsored chamber groups.

Music is reserved exclusively for BYU School of Music performing ensembles and students, within the context of official university activities. The Performance Library must approve any exceptions.

Music may be checked out by current BYU School of Music students for use in BYU music classes in which they are enrolled, with faculty instructor approval.

Music will not be loaned to non-BYU performing ensembles.

Music checked out is due on or before the last day of class of the current semester or term. (Special arrangements can be made if music is needed for juries.)

Chamber music is checked out and returned as a complete set. The individual who checks out the music is financially responsible for all parts.

A replacement fee will be assessed for music damaged, lost, stolen, or destroyed. Damaged is defined as, but not limited to, excessive marks, pen marks, rips, folds, or soiled music.

Keep music in a folder.

Use a pencil only to make light marks on the music. Erase any marks you make before returning the music.

If you drop the class, the music is immediately due back to the Performance Library.

Performance Library music may not be photocopied. If practice copies are needed, consult Performance Library staff.
• If music is not returned, the full replacement value, in addition to any fees due, will be charged to your university account.
